ONCE A FATHER...

They were two innocent little girls, yet they were the only witnesses to a murder. So FBI agent Damien Kane whisked them away to the safest place he knew -- a secluded cabin in Cameron, the town he'd once called home. Despite the painful memories. Despite his attraction to the children's guardian, beautiful Abby Markham.

Abby wondered about the sorrow that shadowed her protector's eyes. Then she discovered that Damien once had all he guarded now -- a family, a home. Something she longed to give him, if only she could tell him that, soon, he would be a father again...
